

*Upright Paths*

Proverbs 4:10-27

In the Psalms and Proverbs you are taught to see life as involving a “way,” a “path” and your “steps.” The way that you choose may be good or bad. Once your way is chosen, you will find a path to get you to that goal. Your daily steps accomplish what you have chosen as a way and path. Your 2012 goal needs to include godliness as your way and the upright paths as your choice to accomplish that goal.
