

*A God You Cannot See*

2 Kings 6:8-23

Every day, people put faith in what they cannot see. We demonstrate faith in electricity by flipping a light switch to “on” and we put faith in gravity by dropping trash into a trash bin. The almighty creator God has made things that are visible and invisible. Just as our faith grows when we see the results of the unseen electricity our faith can grow when we see the results of our unseen God and His power. In the Old Testament, Elisha had three events demonstrate why you should have faith in the unseen God.

**1. God knows your \_\_\_\_\_ thoughts**

(2 Kings 6:8-13)

- a) The king of Syria was trying to set up an ambush (vs. 8). God knows your thoughts and \_\_\_\_\_
- b) The man of God would spoil the plan by warning the king (vs. 9-10). God can \_\_\_\_\_ your plans
- c) The Syrian king became furious and wanted to seize Elisha (vs. 11-13). You can get mad or \_\_\_\_\_

*I will ask for God's \_\_\_\_\_ and direction for my plans (Proverbs 16:9)*

**2. God is bigger than what is \_\_\_\_\_ you**

(2 Kings 6:13-17)

- a) The king of Syria sent chariots and a great army to surround Elisha in Dotham (vs. 13-14). The devil likes to use “\_\_\_\_\_ and awe”
